**Garima Healthcare Pvt. Ltd.** is an eminent firm engaged in **Manufacturing and Supplying** a wide range of products including **Pharmaceutical Products, Generic Medicines.**

## About Us

Founded in the year **1990**, **Garima Healthcare Pvt. Ltd.** is one of the notable companies highly immersed in **Manufacturing and Supplying** a wide range of products including **Pharmaceutical Products, Generic Medicines, Surgex Spirit, Pharmaceutical Syrups, Glycerin IP, Boric Acid, Glucose D Powder, Hydrogen Peroxide** . The entire assortment of chemical compounds and pharmaceutical medicines is in compliance with the set standards of medical industry. Additionally, these are widely applauded for their precise pH value, precise composition, reliability, effectiveness and cost effectiveness. Together with this, these products are well checked sternly before finally shipping at the premises of our customers.

We have an enormously advanced research and development facility, equipped with a number of machines, where our talented chemical experts and doctors are engrossed in developing, checking and delivering a world class range of products at the end of our customers. Moreover, we have also hired a skilled workforce at our end which is completing all our tasks with perfection with the given time to attain high level of customer credibility and trust. Moreover, their coordination and harmonization helps us in maintaining a healthy environment at work.

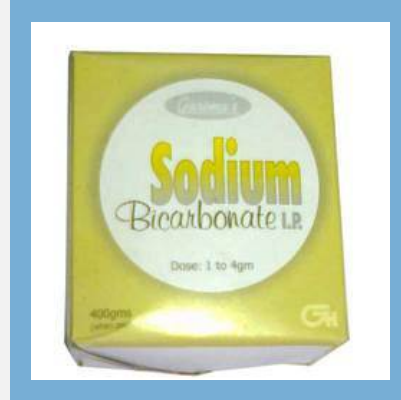

Under the able guidance of our mentor, **Mr. Ajay Gangwani**, we have developed for ourselves at a foremost standing in the industry. His dynamic approach, farsightedness and client-focused approach have assisted us to develop a huge customer base all over the nation.
